April 7–8, 2016 (Lviv - Urych)

**Dear colleagues!**

We are inviting you to participate in the 3<sup>rd</sup> International Scientific Conference «**Monuments of Tustan in the Context of Developing the Carpathians During the Pre-Historic and Medieval Periods; problems of their conservation and use**», that will be held on April 7–8, 2016 in Lviv and Urych.

The issue of developing the Carpathian region has been interesting for researchers since long and has a significant historiographical foundation. However, studies often have been conducted separately by individual specialists in various fields. The aim of the proposed conference is to raise academic issues, draw attention to the defined theme and facilitate the coordination of efforts of a broad circle of researchers in various fields and regions of Ukraine and abroad. A particular attention will be paid to the problems of modern methods of research and museumification of monuments and their use for community development.

**The proposed areas of the conference:**

- Archeology;
- Ethnographical studies;
- History;
- Use of rocks and caves in the pre-historic and Medieval periods;
- Monument, tourism and community: models of interaction;
- Virtual cultural heritage for research, presentation and management

**Conference schedule:**

- Conference languages: Ukrainian, English, Polish and Russian
- Please fill in an online participation form here <http://goo.gl/forms/7y8RVJx6KL>
- Send your paper summary to the following e-mail [conference@tustan.ua](mailto:conference@tustan.ua)
- Participation form and a paper summary should be sent **before January 20, 2016**

A collection of paper summaries will have been published by the beginning of the conference. Materials delivered during the conference will be published in the 3<sup>rd</sup> volume of *The Fortress: A Collection of the Reserve "Tustan"*.

Travel to the place of the conference, meals and accommodation shall be covered by a sending organization.

The registration fee for participation in the conference (printing of conference materials, coffee breaks, trips scheduled within the conference program) is **250.00 UAH**.

The registration fee will be paid by participants during the registration or transferred to a bank account (details will be provided after submission of summaries).

At the request of participants, the organizing committee can book a hotel room near the venue of the conference.

**Requirements for summaries and papers:**

Summaries and papers will be accepted only in an electronic form (.doc or .docx) at [conference@tustan.ua](mailto:conference@tustan.ua). The maximum size of summaries is three pages, the size of papers is up to 0.5 sheet (12 pages of A4 format, font Times New Roman, size 14, line spacing 1.5, margins 2 cm, no pagination). The deadline for submission of full papers is **May 30, 2016**. A detailed template for a paper will be provided after summaries have been submitted.

The conference program will be sent by **March 15, 2016** to all registered participants.

We hope for our fruitful cooperation!

Kind regards,

Organizing Committee of the Conference
