

“Save the date” and “call for papers”

for the **Glastag**

on Saturday, 3rd of October, 2020

in Amsterdam

Dear Colleagues,

the annual „Glastag“ is a possibility for archaeologists and glass researchers to exchange ideas about archaeological glass in an informal atmosphere: to present lectures, discuss with colleagues and also show original finds.

Our annual meeting in 2020 will be held in the Netherlands. After the proposal and invitation of René van Beek we are looking forward to be guests at the “Allard Pierson - Collecties van de Universiteit van Amsterdam” (Oude Turfmarkt 127-129, allardpierson.nl).

Proposals for papers are welcome for lectures of 20 minutes or notes of 10 minutes dealing with archaeological glass from Prehistory, the Roman, Medieval or Post Medieval Era. Not only new results but also ongoing projects or students' theses are of interest. Please submit the precise title of your presentation until **30.6.2020**. We will send the final programme at the beginning of August via email. If you wish to participate without lecture, please let us know until 15th of September.

Planned Schedule on 3rd October 2020

10.00 – 12.00 lectures

12.00 – 14.00 lunch break
