

Slovak Archeological Society's Commission for Support of Historical Glass Interdisciplinary Research in Slovakia, of the Slovak Academy of Sciences, in cooperation with the Bratislava City Museum and the Slovak Glass Society, are organising the 9th Interdisciplinary Conference and „round table“ History of Glass on 12th – 13th December 2016

History of Glass - 2016

Location:

Bratislava City Museum
Radničná 577/1,
811 01 Bratislava – Staré Mesto
mapa: <https://www.google.sk/mapa>

This conference has two parts:

1st part History of Glass 2016 is traditionally dedicated to various areas of life, science and research connected with the history of glass in Slovakia. The working language is Slovak.

2nd part „Glassbeads and glass technologies“ is international. The working language is English.

Purpose:

First part is aiming to gather specialists from social, natural and technical sciences, glass specialists from the field the industry and the broad glass-interested public for an exchange of current fundamental information about historical glass and the history of glass in Slovakia and in international research.

Second part is thematically oriented on glassbeads and the historical technologies of glass production from ancient times until 13th A.D.
